A tickling in the nose—a slight sniffle—may be the forerunner—the first sign of a cold, or, it may be a sneeze or a shiver or chills down the back or dryness of the throat.

A dose of "Serenty-seren" at the first appearance of any of these conditions will give the best results. If you wait until your bones begin to ache, have sore throat and pains in your chest, have a temperature and are suck abed it will take longer; the recovery will be sixwer, but "Seventy-server" breaks up hard, stubborn colds that hang on and do not yield to treatment.

"Seventy-server" contains nothing harmful nor in jurious and leaves no bad after effects.
